PRESTON Makedonia and South Melbourne Hellas fought out a pulsating scoreless draw which held a near seven thousand Sunday crowd at Connor Reserve enthralled for 90 minutes.

Paul Foster, Steve Blair and Con Giatas for Hellas and Steve Jackson, Phil Trianides and Steve Gojevic for Makedonia were the stars in a game which provided everything but goals.

Hellas, with all its unbridled enthusiasm and uninhibited style, had an inspired spell which looked to have Preston on the ropes.

But Makedonia turned about in the final quarter hour and came within an ace of taking the game.

Hellas went forward with the aid of the strong breeze which continued to gust down Connor Reserve for the duration of the game.

But undaunted Preston pressed forward to twice bring out the best in young Hellas goalkeeper Giatas.

Hellas went close on the quarter hour when Paul Trimboli's shot was carried and fell to Foster who lobbed the goalkeeper but was thwarted by Jackson who was on hand to head the ball off his own line.

Three minutes from halftime Angie Postecoglou sent a searing free kick over the Preston crossbar after a well worked Hellas free kick.

South Melbourne's best period came early in the second half but the better of the chances fell at the opposite end late in the game as Makedonia surged forward in search of an elusive winner.

In the 63rd minute Goce Dimovski had two shots blocked by Giatas in quick succession and ten minutes later both Jackson and Steve Smith went close to grabbing their club's first league goal of the season.

In a desperate final ten minutes Tassios and Smith sailed forward in search of the clincher with young Michael Brian leaving the packed house breathless with a last minute crashing drive which thumped against the Hellas woodwork and bobbed away to safety.

PRESTON: Trianides, Opasinis, Roodhouse, Jackson, Tasevski, Petrov, Stewart, Dimovski, Gojevic, Smith, Brian.

SOUTH MELBOURNE: Giatas, Russell, Postecoglou, Anezakis (Fernandes (33), Blair, Wade, Foster, Tassios, Trimboli, Healey, Kalageros.
